Dear Brothers and Sisters,

The Serbian Historical and Cultural Society "Njegos" invites you to celebrate their SLAVA and the birth of the Most Holy Mother of God, the patroness of the Society.

In the hope and expectation that you will respond to our sincere invitation, we are sending you a warm welcome with the humble remark: If we value Bishop Njegos as one of the greatest Serbians after St. Sava, if we continue to celebrate Him today in our community (Serbian Njegos Day), and throughout the world, as a shining example of working for the benefit of the Serbian people, it is certain that He will bless your visit to the glory of this Society that proudly bears His name.

With special thanks to the sisters for preparing and serving excellent food, our donators and all others who helped to celebrate this Glory with dignity,

Welcome!

Administration with the President!
